April 23rd - 10AM -12PM

We are thrilled to announce our upcoming e-waste disposal event, in collaboration with TechWaste Recycling!

Please bring all e-waste items to the truck parked in the loading zone for drop off on the day of the event. If you need a cart to assist you in transporting e-waste to the loading zone, please submit a work order request in your tenant portal account. We are dedicated to properly disposing of e-waste to support a sustainable future!

# FRESH FOR SPRING: New fitness equipment!

We are adding weights, bands and foam rollers to our supplies for group classes. Our trainers are excited to bring you new workouts and fresh routines to help you build strength, prioritize recovery and feel great!

## What people are saying:

"Shoutout to Jan, Ellen, and Elissa for being rockstar instructors. Nothing like a mid-day workout to boost energy!"  
- Jennifer H.

All three classes are always stimulating and each week is a pleasant surprise. All the instructors bring new routines and are able to modify quickly based on the group in attendance and how everyone is feeling.

The classes at Airport Tower are very much appreciated. The variety and highly qualified instructors provide a well rounded workout schedule for mind and body.  
- Sue. D.

I feel fortunate to have an opportunity to attend such a great series of fitness classes taught by balanced, experienced, knowledgeable, professional trainers. All three classes are well-planned, independent and unique, yet add up to a week of well-balanced cross-training.  
- Dan D.
