SETH HARRIS

AIRPORT TOWER CHIEF BLDG ENGINEER

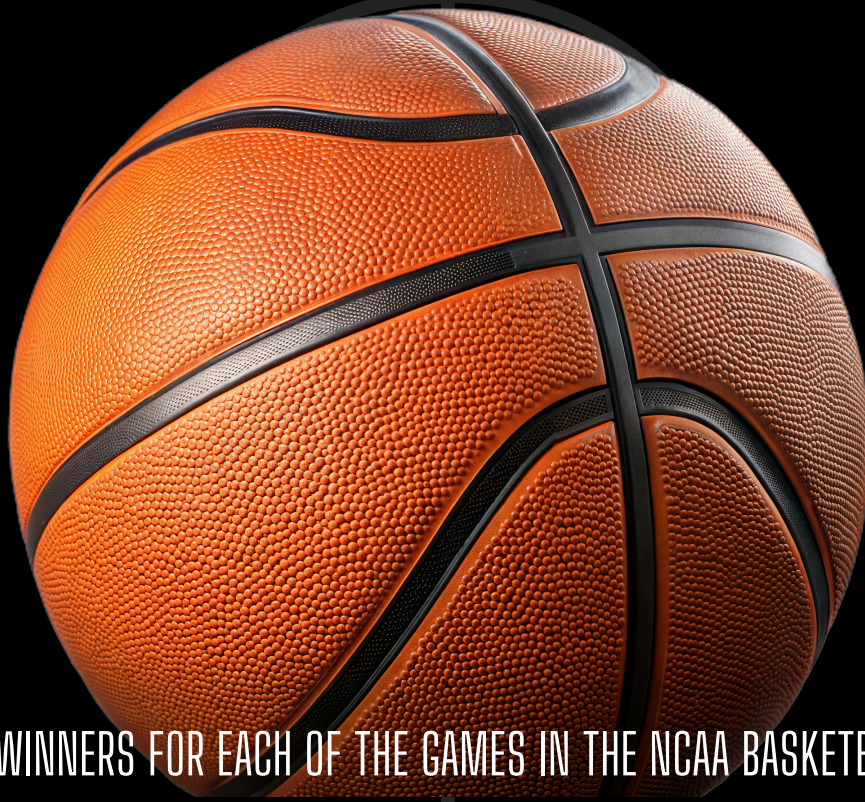

Please join us in welcoming Seth to the Airport Tower Team, in the role of Chief Building Engineer! Seth is thrilled to get to know each of you and is dedicated to keeping our facility up and running smoothly.

ABOUT ME

I'm a retired U.S. Army veteran with 20 years of service, including deployments to Iraq and Afghanistan.

My roles included Military Police and Construction Engineer. After my military career, I transitioned into commercial and residential maintenance with over 30 years of experience in HVAC repairs and installations. A fun fact about me: I've been playing the guitar since I was 8, drums since 5, and piano until I decided the guitar was where I belonged!
