Great Park Championship Soccer Stadium Expansion

The Great Park Championship Soccer Stadium has been home to the Orange County Soccer Club (OCSC) since 2017. Each year, attendance at the OCSC matches has grown. In fact, most of the matches were sold out last year. To accommodate the club's growing fan base, the City approved plans to expand the stadium's capacity. Construction is currently underway.

The project is targeted for completion in time for the OCSC home opener on March 7th when the team will take on the Las Vegas Lights. As an added bonus, the club hopes that teams competing in the 2026 FIFA World Cup will practice at the renovated stadium.

8 New Pickleball Courts Have Opened in Irvine

More than 200 people gathered under clear blue skies at Mike Ward Community Park as Irvine opened eight new pickleball courts, drawing players eager to be among the first to step onto the freshly finished surfaces.

The new courts will supplement the City's existing 22 pickleball courts at eight community and neighborhood parks, helping to meet the demand for one of the nation's fastest-growing sports.
